*In 2010, Dukes Burgers opened its doors.  
Our sole purpose: to create a home for gourmet burgers in  
Joburg.*

*Our unique combination of flavours and commitment to  
quality food makes the experience at Dukes unrivalled.*

*Quality begins with sourcing the freshest ingredients from  
the butcher to the grocer which gets delivered daily from  
local suppliers. Our sauces are homemade. Our chips are  
freshly cut. And yes, we totally bake our rolls ourselves,  
every day!!!*

*The chefs are conscious cooks and keep the vegetarian  
and vegan section separate. We offer wheat-free buns,  
skinny burgers (means no bun) and are usually more than  
flexible to help with most dietary requirements.*

*Our food may contain traces of nuts.  
For any dietary requirements consult our chef.*

*Tables bigger than 15 people may wait up to 35min on busy  
nights.*

*We regret no split bills .*

*Corkage for wine or sparkling charged at R60 per bottle.*

*Your feedback is really important to us.  
So please don't be hesitate to speak to one of our managers  
should something not be to your satisfaction. Otherwise  
you're always welcome to email us:*
